All prices
Exclusive of VAT

With the Mobile Coffee Station you are independent, you just need a 230 V socket for electrical connection and you can prepare your coffee anywhere you like.

Depending on the design, the mobile coffee station includes 2 fixing wheels and 3 electrical connections. Optionally there is a selection available of 25 litres fresh water tank, 13 litres waste water tank and a technical group. Also there is enough space for a water softener/filter. The mobile coffee station is available in two sizes.
